GEOTAIL EPIC KP
Jul 19, 2005 (200)

EPI K0 Data: V01 (V 0)
ORB DEF Data: V01

Plotting S/W Version: 3.81
Plotted: Tue Aug 2 10:20 2005

Plotting the data for different energy ranges and angles, the figures show variations in particle fluxes over time. The data for >38 keV/e and 9-212 keV/e are displayed for different UT times, with X_{GSM}, Y_{GSM(GSE)}, and Z_{GSM(GSE)} coordinates provided for each UT hour.
