

Surface Dust Flux Model **UPOS**

Quick Start Guide

Version 1.0

-
- Edit `dust_startup.txt` – See section 3.1 of the *Surface Flux Dust Model User's Guide*.
 - The command `SFDM_startup` starts the process – See section 2.1 of the *Surface Flux Dust Model User's Guide*.
 - Make your processing selections – See sections 2.1.1, 2.1.2, and 2.1.3 in the *Surface Flux Dust Model User's Guide*.
